Caveats:

Data contained in this document is drawn from a dynamic operational database and is subject to change as new information is recorded or updated. Information is current as at date indicated at the top of this document. For further detailed information on the subjects above please refer to the supplementary spreadsheet. 'Active' licences refer to any individual, visitor or dealer licence holder who is legally allowed to possess firearms due to holding a current firearms licence. Licences represented as 'Overseas' are any licences held by individuals who are currently residing overseas but maintain their New Zealand firearms licence or hold a Visitors licence. Licences represented as 'Non-geocoded' are any licences where the geographical coordinates of the address do not map directly to a district however Police still have the address of each individual. Individuals may hold more than one 'endorsement type'. Individual, Visitor and Endorsement licence applications processed in the last month refer to those where a licence or endorsement have been issued and does not include applications that have been refused or withdrawn. Dealer licence applications processed in the last month includes dealer applications that have been approved and a firearms licence card issued. Import applications processed in the last month refer to all individual import permits processed regardless of whether a permit has been issued or not. Licences suspended and revoked in the last month is based on a point in time status change to either a revoked or suspended status. This is not indicative of the current status of the licence i.e if a suspended licence has subsequently been revoked or made current. Visitor licences are included in the 'Active individual firearms licence holders by Police District' and 'Active licence holders' tables. Ethnicities included in 'MELAA' category include Latin American/Hispanic, Middle Eastern, Native American and African origin. Firearms and Firearm Parts Registered includes those that have been registered and physically exist in New Zealand.
