Privacy Statement

The information provided is collected for the purpose of administration of the Act. New Zealand Police will hold, store, use or disclose the personal information collected in accordance with the provisions of the Privacy Act 2020. This means that, where necessary, Police may use or disclose your personal information to enable it to carry out its lawful functions, including prevention, detection, investigation and prosecution of offences. Instructions for Use

1. The Shooting Range Operator (SRO) or applicant submits an Application for Enrolment of a Non-Pistol Shooting Range as an **initial application** to Clubs and Ranges. This form may also relate to a significant change to the circumstances of an enrolled non-pistol shooting range. The Clubs and Ranges email address is clubsandranges@police.govt.nz.
2. Clubs and Ranges will provide advice on the application process and will provide a report for further information. This will capture range structural details and measurements, range standing orders (RSO) requirements, and any other information the Commissioner may reasonably require.
3. On completion of the report the SRO or applicant will submit their updated **initial application** and provide any additional documents.
4. A physical inspection of the range by the Clubs and Ranges team may then occur.
5. The application, completed report, and additional documents are reviewed by the Clubs and Ranges team before a decision to grant the application for enrolment is made.

Important Note(s)

1. Significant change to the circumstances of an enrolled non-pistol shooting range means any changes to the design, construction, or operation of the shooting range that have, or may have, a material impact on the safety or ballistic characteristics of the shooting range.
2. Do not use an Internet browser or Apple's Preview application to open and complete these forms. Please save the forms to your device first, close the web browser, then go to where you've saved the files and right click on PDF and select 'open with Adobe Reader DC or Pro (or similar PDF editor)'. Using a browser will cause the entered information to be lost if you click on the 'back' button, or if you try to save it.
3. To submit your application, you can email it to clubsandranges@police.govt.nz (Note: the document file size must not exceed 5MB.
